Dear Dino,

Thank you so much for your thoughtful letter of congratulations. I appreciate your warm words of support. I was also pleased to have your comments about the significance of your Naval War College experience and the role played by you and other graduates at USIA.

I look forward to reading your article in the January Foreign Service Journal. Skimming it, I detect your support for sound policy in foreign affairs. That, of course, appeals to me as I begin a job where I hope to contribute to helping the leaders of our Government develop such policies.

Thanks again for your letter and best wishes.

Yours,

STANSFIELD TURNER
